

KORN CAMP MENTORSHIP PROGRAM MITCH KORN'S SPECIALIZED HOCKEY CAMPS, INC.

To all potential new Mentorship applicants:

For years we have provided hands-on goalie coaching training to “volunteer coaches” who we take in as one of our own and share what we do. Many who have been participated with us are now doing great work around North America and now Europe. We welcome all levels of coaches. Some enroll their goalie child or goalies that they coach.

A Mentee is responsible for all their own expenses (travel, hotel, most meals, etc.) while serving the camp as a Coach. Korn Camp, along with myself, allow the Mentee full access. Korn Camp will cover your daily lunch, and occasional staff dinners/outings.

To apply, please accomplish the following:

(staffing is an ongoing process...there is no hard deadline, but rather determined by the amount and caliber of applications during this process):

- *Send your hockey/work resume along with 3 references (include e-mail address & cell #)*
- *Complete the Availability Form (below)*
- *Include a short essay describing how this Mentorship will benefit you and your students*

We will make selections based on your resume, the competition and the volume of requests.

Along with my program above, THE GOALIE GUILD run by Justin Goldman (justin@thegoalieguild.com), offers Coaching Scholarships where some expenses are covered. I provide three to Justin, as do some other goalie programs. Please connect with Justin if you are interested.

Please feel free to reach out to me with questions. Enjoy some thoughts & pics of past participants.

*Sincerely,
Mitch

*“Mitch, I just completed day one of my first week long camp (August 2017). Would not have been possible without what I learned from your camp in 2016. Thank you!”
Jeff Taylor...summer of 2016*

*“I wanted to thank you for your time and the experience of being involved with your camp in Nashville. I can't even explain how valuable it was for me, being able to see how you ran your program, and getting the chance to speak to you directly about my program, really made a world of difference for me. Everyone made me feel a part of the team right away, and I felt like I instantly clicked with everyone, which I really appreciated. It really meant a lot to me, to be able to learn from you, and pass on that guidance to my students. I love everything about being a goalie coach, and want to learn as much as I can.”
Jim Stanaway ... summer 2017*

*“Just a quick, heartfelt ‘Thank You’ for giving me the opportunity to participate at Korn Camp in Duluth. It was eye opening to see just how much goaltending has changed since I was a camper 10 years ago. I tried to soak in every bit of knowledge I could from Mitch and his team and I’m excited to bring all of it back to the high school girls that I coach. I have about ten pages of notes and drills from the week. Mitch’s teaching really hit home for me.”
Katie Cotrell ... Goalie Guild Scholarship, 2017*

*“Thank you for allowing me to be a part of camp at Kettler. The information that I learned will be invaluable as we start off the season and develop our goaltending program. Your staff was great. It was especially helpful to observe them and see their different coaching styles. Being on the ice and in the classroom with you was amazing and allowed me to understand the key points and concepts that you shared. I shake my head at just how much has changed, even in the recent few years, and I am excited to share! Again, thank you very much for the opportunity.”
Kyle Bates ... summer 2017*
