

# KORN CAMP MENTORSHIP PROGRAM MITCH KORN'S SPECIALIZED HOCKEY CAMPS, INC.

## ***To all potential new Mentorship applicants:***

*For years we have provided hands-on goalie coaching training to “volunteer coaches” who we take in as one of our own and share what we do. Many who have been participated with us are now doing great work around North America and Europe. We welcome all levels of coaches. Some enroll their goalie child or goalies that they coach.*

*A Mentee is responsible for all their own expenses (travel, hotel, most meals, etc.) while serving the camp as a Coach. Korn Camp, along with myself, allow the Mentee full access. Korn Camp will cover your daily lunch, and occasional staff dinners/outings.*

## **To apply, please accomplish the following:**

*(staffing is an ongoing process...there is no hard deadline, but rather determined by the amount and caliber of applications during this process):*

- *Send your hockey/work resume along with 3 references (include e-mail address & cell #)*
- *Complete the Availability Form (below)*
- *Include a short essay describing how this Mentorship will benefit you and your students*

*We will make selections based on your resume, the competition and the volume of requests.*

*Along with my program above, THE GOALIE GUILD run by Justin Goldman ([justin@thegoalieguild.com](mailto:justin@thegoalieguild.com)), offers Coaching Scholarships where some expenses are covered. I provide several to Justin, as do some other goalie programs. Please connect with Justin if you are interested.*

*Please feel free to reach out to me with questions. Enjoy some thoughts & pics of past participants.*

*Sincerely,

I want to take this time to thank you for such a wonderful opportunity. In 4 days together, I learned so much. In everyone's career, there is always a pivotal moment. I believe this was my pivotal moment. I wish you all the best with your career and let's keep in touch. If possible, I would like to come back to Buffalo next year and teach with you.

**Carlo Di Rienzo ... summer 2018**

I just wanted to thank you for the opportunity of getting to work with you as a Mentee at Arlington Korn camp. The information you provided to your campers and me was invaluable. Several of the concepts (i.e. back knee slippage, and the proper way to teach head tracking) are game changers for me moving forward. I work with several high-end goalies (at their respective levels) and I feel with this new information I will be able to help them elevate their game to the next level. Additionally, a lot of the concepts and drills you teach are similar to the way I instruct which, is great because it reinforces I am on the right track. Working with the rest of your staff was also a pleasure. Nick is a great guy and serves you well, and the knowledge base of Scott, Rick, and Sven is second to none. All I can say is thank you for this opportunity and if there is anything I can help you with in the future please do not hesitate to reach out to me.

**Mike Shelley ... summer 2018**

Mitch, I just once again want to thank you for a wonderful week of knowledge. It was a dream of mine to meet you and learn from you. I can't begin to tell you how excited I was and am about what I got to experience. I just needed you to know I'm very grateful for this opportunity and can only hope to be back with years to come. Good luck with your next camp, and good with the Isles. I'm sure no matter what you do, you'll do it very well.

**Dave Stefaniak...summer 2018**

First of all, let me thank you for the opportunity to spend a time with you and see you at work. Moreover, thank u for letting me to become, for a short period of time, a member of your “extended “ camp family. You have a great group of guys around you. I have not only learned a ton, but also enjoyed myself these past 4 days.
