

KORN CAMP

MITCH KORN'S SPECIALIZED HOCKEY CAMPS, INC.

To all NEW potential 2025 Counselor Applicants:

We at Korn Camp take great pride in the excellent young people who join our group. We try to “*promote from within*”, with campers becoming counselors and counselors becoming coaches over time for both our **Goalie and Defense camps**. When I was young, that’s how my leadership skills and coaching philosophies developed. It’s amazing how much better players become when they join our crew. This experience far outweighs any financial return.

While we try to fill our needs from within, that’s not always possible. *So, if camp sold out before you could enroll, or if you are looking for a new leadership experience or community service, this could be an excellent opportunity for you, too.*

Here is what a past counselor had to say...it could be YOU.

“I wanted to thank you for the opportunity to be a part of your team again for this year’s Duluth camp. I had a lot of fun and continued to learn more about coaching and the game of hockey while being a counselor. I hope I can continue to build up my coaching skills and continue to be a part of your team. Your coaching has always been a large part of my life and I can’t thank you enough for doing what you do for me and for other goalies. Thank you again and look forward to hearing about next year’s possibilities!”

Sam Anderson, Duluth, MN
