

KORN CAMP

MITCH KORN'S SPECIALIZED HOCKEY CAMPS, INC.

To all NEW potential 2018 Counselor Applicants:

I hope everyone is having a great year with hockey and in school. Wish all the **BEST for 2018**.

We at Korn Camp take great pride in the excellent young people who join our group. We try to “*promote from within*”, with campers becoming counselors and counselors becoming coaches over time for both our **Goalie and Defense camps**. When I was young, that’s how my leadership skills and coaching philosophies developed. It’s amazing how much better players become when they join our crew. This experience far outweighs any financial return.

While we try to fill our needs from within, that’s not always possible. *So, if camp sold out before you could enroll, or if you are looking for a new leadership experience, this could be an excellent opportunity for you, too.*

Counselor Details:

1. All must be at least 16 years old by June 1, 2018.
2. Athlete must be a GOALIE for goalie camp, and any skating position for DEFENSE Camp.
3. All must possess a unique passion for the sport and working with youngsters
4. All must take direction well, yet be able to “process and figure it out”
5. All receive a “camp stipend” and lunch daily
6. No transportation or accommodations are provided
7. Selections are “competitive” and “time sensitive”
8. If selected, a contract and counselor procedures are provided via email
9. There is no hard deadline. When spots are gone, they are gone.
