A message from Mitch...

Welcome to Korn Camp-2026. It is finally time, as I approach 70 years young, that I take on a partner to ensure camp is available for many years to come. Let me introduce Nashville native Dillon Caffrey (nicknamed "Goose"), long time camp goalie coach who everyone that has done the "west camps" know very well. Dillon will be involved in all camps going forward, as we will work together to remain the best camp on the planet. Adam McHugh continues as our Head Coach for the successful Defense camps. See you this summer!

KORN CAMP...a SPECIALIZED CONCEPT

Back in 1977 Mitch Korn organized his first weekend **Specialized Goal Program** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept into camps that have grown into the **country's best** with 8 camps in 6 locations. It was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991.

MITCH KORN...celebrating 35 years in the NHL

For his 35th NHL year, Mitch is back with the Preds as "Director of Goaltending" after 6 seasons with the Islanders. Prior, Korn spent 4 years with the Capitals, 16 with Nashville and 7 with the Sabres. Korn was a **Stanley Cup Champ with the Caps in 2018**.

His hard work, communication skills, ability to "dissect" a goalie's game, and great sense of humor have gained him the respect and friendship of those he has coached and worked with. Fondly referred to as "**Children of the Korn**" (a phrase coined by now Nashville GM Barry Trotz) these current and former goalies (many who are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch". With Ilya Sorokin's nomination in 2023 and Braden Holtby's earning of the 2016 Vezina Trophy, it marked the 10th goalie nomination and 5th awarded Vezina for Korn as coach or director. Dom Hasek also won 2 MVP Hart trophies under Korn. He is the only coach in NHL history to coach a goalie to a Vezina with two different teams (Buffalo, Wash.) and have earned 3 Jennings Trophies (fewest goals against) with the NYI (Lehner & Greiss), Sabres (Fuhr & Hasek) and Caps (Holtby). Mitch has coached many present and former pros including: Semyon Varlamov, Ilya Sorokin, Cory Schneider, Thomas Greiss, Braden Holtby, Philipp Grubauer, Vitek Vanecek, Pekka Rinne, Carter Hutton, Devin Dubnyk, Scott Darling, Pheonix Copley, Chris Mason, Dan Ellis, Marty Biron, Dom Hasek, and Tomas Vokoun (to name some) along with the present goalies in the Pred organization.

Mitch has coached or influenced others who have (in the past) or who are now coaching in the NCAA, CHL or the Pros. Some include: Ben Vanderklok (Nash.), Scott Murray (Wash.), Wade Flaherty (Winnipeg), Mike Bales (Buffalo), Mike Leighton (Detroit), Justin Peters (Ottawa), Olaf Kolzig (development/Wash.), Mike Dunham (AHL/Boston), Drew McIntyre (AHL/Winnipeg), Seamus Kotyk (AHL/Buffalo), and many more. **Can anyone match his 35 years of success in the NHL?**

ABOUT THE STAFF

A highly qualified and experienced staff is put together to provide the best instruction and supervision. We guarantee that our staff will be more than just coaches or players . . . they will be teachers! For example:

for the Defense Program:

Adam McHugh:

- Program Head Coach
- 13th year with Korn Camp
- *plus several Asst. Coaches*

for the Goalie Program:

Besides Mitch, we have a staff of loyal, energetic coaches with many still playing at the junior or collegiate level.

ABOUT THE GOALTENDER PROGRAM

OUR OBJECTIVE

Goaltending is more than just blocking pucks. We teach and drill the **physical skills** needed such as full and half butterfly saves, scrambling techniques, stick skills, power pushes, recoveries, head tracking, transitions, post play, etc., along with the **mental skills** such as save selections, "reading the play," tracking, angles, focus, situational analysis, "toughness", etc. We provide a **"full day" experience**.

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies very hard, but we also believe in having lots of fun. Humor is a big part of the teaching process. The goalies work together as a "team" or "family" all week. **Mitch is totally involved.**

THE PROGRAM'S FORMAT

In order to accomplish our task, the goalies will receive 4 hours of ice daily, plus 3.5 hours of structured off ice activities. Video is taken of the goalies to help teach and reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time is divided into 2 sessions. The 1st is designed to teach and drill the skills needed. The 2nd consists of "stations" with shooters and lots of pucks to help the goalie "execute" on the skills taught. **Great training tools like low & high shot screen boards, deflection**

boards, a deflection ramp, an on-ice mirror, glove weights, pro-angle, the med ball "goalie stabilizer," bungee balls, focus enhancers, head tracking leash, on ice video and mini & white pucks are used.

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: equipment innovations, video instruction, uniquely developed NHL videos to help teach "goalie sense," mental skill development, reading and reacting, how to handle the many game situations, ...and much more!

AGES, STRUCTURE, AND ENROLLMENT

We accept ages 9 to adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of 4. What you do is important, not what the goalies do next to you. Enrollment is limited and is first come, first served. This school is a commuter program . . . no housing is provided. **Ages are as of December 31, 2026.**

PROGRAM SCHEDULE (Sun.-Wed)

- 10:30am On ice training

ABOUT THE DEFENSE PROGRAM

ABOUT PLAYING DEFENSE

Good defensemen are in great demand. All coaches search for strong backliners to solidify the team's play in their own zone and to start the offense. Since the advent of Goalie Schools, defensemen have truly been **the most neglected players**. By far, defense is the most difficult position on the ice.

ABOUT OUR PROGRAM

The concept of "position specific" is not unique to summer goaltender camps . . . so why not bring the same concept to playing defense! This program will break the defenseman's job down by zone and by skill to provide the most rewarding on-ice experience possible. The feedback has been **FANTASTIC**.

THIS PROGRAM'S CURRICULUM

Our program will cover the following, and more:

- *defenseman skating skills such as backward pivots, mohawk turns, lateral motions
- *situational coverages - (1 on 1, 2 on 1, etc.)
- *point play, shot blocking, pinching, shooting
- *tying up opponents, initiating breakouts
- *checking and angling; reading & reacting . . . and much more

AGES, STRUCTURE, AND ENROLLMENT

We will accept **ages 9-14**. The group is subdivided into 6 "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station." What **you** do is important, not what the player does next to you. Enrollment is limited to 6 defensemen per team. Enrollment is first come, first served. This school is a commuter program . . . no housing is provided. **Ages are as of Dec. 31, 2026**

THIS ON ICE PROGRAM

The participants will have two ice sessions daily totaling 3 hours, all geared toward defensemen and the skills they need to succeed.

OFF ICE PROGRAM

Each day the defensemen will have a classroom session. In addition, we will use specifically designed NHL highlight videos to help teach "**hockey sense**", "**reading and reacting**", and **defense skills such as breakouts, pinching, hinging, etc.**
