

ABOUT "KORN CAMP"

Back in 1977 Mitch Korn ran his first weekend **Specialized Goaltender Program** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept. These camps have now grown into the **best in the country** with 8 locations offered. Why not attend a program specially designed by position? In fact, it was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991.

MITCH KORN...celebrating 31 years in the NHL

Mitch is in his 4th year with the **NY Islanders** after 4 years with the **Capitals**, 16 seasons with the **Predators** and 7 seasons with the **Sabres**...and he is a **Stanley Cup Champion**. His hard work, communication skills, ability to "dissect" a goalie's game, and great sense

of humor have gained him the respect and friendship of those he has coached and worked with. Fondly referred to as "**Children of the Korn**" (a phrase coined by Islanders head coach Barry Trotz) these current and former goalies (many who are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch". With Robin Lehner's nomination (2019) and Braden Holtby winning of the 2016 Vezina Trophy, they marked the 9th Korn coached goalie nomination and 5th awarded Vezina. Dom Hasek also won 2 MVP Hart trophies under Korn. He is the only coach in NHL history to coach a goalie to a Vezina with two different teams (Buffalo, Washington). Korn goalies have earned the 3 Jennings Trophies (fewest goals against) with the NYI (Lehner & Greiss), Buffalo (Fuhr & Hasek) and Caps (Holtby). Mitch has coached many present and former pros. Some include: Semyon Varlamov, Ilya Sorokin, Cory Schneider, Thomas Greiss, Chris Gibson, Braden Holtby, Philipp Grubauer, Vitek Vanecek, Robin Lehner, Pekka Rinne, Carter Hutton, Devin Dubnyk, Scott Darling, Pheonix Copley, Parker Milner, Mike McKenna, Chris Mason, Dan Ellis, Marty Biron, Dominik Hasek, and Tomas Vokoun.

Mitch has coached and influenced others who have (in the past) or who are currently coaching professionally. Some include: Ben Vanderklok (Nash.), Scott Murray (Wash.), Steve Briere (Toronto), Wade Flaherty (Winnipeg), Mike Bales (Buffalo), Olaf Kolzig (development for Wash.), Mike Dunham (AHL for Boston), Justin Peters (AHL for Ottawa), Drew McIntyre (AHL for Winnipeg), Alex Westlund (AHL for Wash.) and Seamus Kotyk (AHL for Buffalo). **Can anyone match his 31 years of coaching success in the NHL?**

THE CAMP'S OBJECTIVE

Goaltending is more than just blocking. Our program will teach and drill the **physical skills** needed such as head tracking, shifting, full and half butterflys, power pushes, shuffles, transitions, recovery, stick skills, post play, etc., along with the **mental skills** such as save selections, "reading the play," angles, situational analysis, focus, etc. We provide a "full-day" experience. **A great staff is put together to assist Mitch. THERE IS NONE BETTER!**

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies hard. But he also believes in having lots of fun. Humor is a big part of the teaching process. In addition, the goalies work together as a "fraternity" all camp. Mitch runs the camp and does a significant amount of the teaching.

THE CAMP'S FORMAT

The goalies receive between 3.5 and 4 hours of ice time daily, plus 3 hours of structured off ice activities. Video is used to help teach and reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time will be divided into 2 sessions. The first session is designed to teach and drill the skills of goaltending. The second session consists of "stations" with shooters and lots of pucks to help the goaltender "execute" on the skills taught. **We use great training tools such as low & high shot screen boards, deflection boards, a deflection ramp, an on ice mirror, glove weights, pro-angle, the med ball "goalie stabilizer," bungee balls, focus enhancers, a head tracking leash, on ice video and mini & white pucks.**

OFF ICE PROGRAM

The goalies have 2 daily off ice sessions which include: video instruction, uniquely developed NHL videos to help teach "goalie sense," mental skill development, reading & reacting, how to handle many game situations, equipment innovations...and more!

EQUIPMENT NEEDED

Goalies must supply their own, and always wear properly, full, legal equipment. A camp is provided. Goalies should be able to dress themselves for the ice. Parental assistance is permissible outside the locker rooms.

INSURANCE/MEDICAL

EACH PARTICIPANT MUST HAVE THEIR OWN MEDICAL INSURANCE. Neither Mitch Korn nor anyone associated with Mitch Korn's Specialized Hockey Camps, Inc. will be responsible for any medical or dental insurance. Any accidents or illness will be treated at a hospital near the ice facility. Our medical insurance form is available on our website for each participant to print. A medical and liability release statement is included on this form. It must be completed and signed by a parent or guardian and brought to check-in on the first morning.

AGES, STRUCTURE, & ENROLLMENT

We accept ages 9 - adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What you do is important, not what the goalie does next to you. Enrollment is limited and first come, first served. This is a commuter program. . . no housing is provided. Details on our host hotel are provided in the final information sheet on our website. **Ages are as of Dec. 31, 2022. We sold out last summer. Two camps are offered. Camp 1 is July 6-9 and Camp 2 is July 11-14.**
