KORN CAMP...a SPECIALIZED CONCEPT

Back in 1977 Mitch Korn organized his first weekend **Specialized Goal Program** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept. These camps have now grown into the **best in the country** with 8 locations offered. Why not attend a program specially designed by position? In fact, it was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991.

MITCH KORN ... 28 years in the NHL

Mitch is in his 1st season with the NY Islanders after 4 years with the Capitals, 16 seasons with the Predators and 7 seasons with the Sabres...and he is now a **Stanley Cup Champion**. His hard work, communication skills, ability to "dissect" a goalie's game, and great sense of humor have gained him the respect and friendship of those he has coached and worked with. Fondly referred to as "*Children of the Korn*" (a phrase coined by Islanders head coach Barry Trotz) these current and former goalies (many who are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch".

With Braden Holtby's nominations (2016 and 2017) and winning of the 2016 Vezina Trophy, it marked the 8th Korn coached goalie nomination and 5th awarded Vezina. Dom Hasek also won 2 MVP Hart trophies under Korn. He is the only coach in NHL history to coach a goalie to a Vezina with two different teams (Buffalo, Washington). Korn goalies have earned the Jennings Trophy (fewest goals against) in both Buffalo (Fuhr and Hasek) and Washington (Holtby). Mitch has coached many present and former pro goalies including Robin Lehner, Thomas Greiss, Chris Gibson, Braden Holtby, Philipp Grubauer, Pekka Rinne, Carter Hutton, Devin Dubnyk, Scott Darling, Pheonix Copley, Jeremy Smith, Vitek Vanecek, Parker Milner, Marek Mazanec, Mike McKenna, Chris Mason, Dan Ellis, Marty Biron, Dominik Hasek, and Tomas Vokoun. Mitch has coached and influenced many others who have who are currently coaching pro. Some include: Ben Vanderklok (Nashville), Scott Murray (Caps), Steve Briere (Toronto), Wade Flaherty (Winnipeg), Mike Bales (Carolina), Olaf Kolzig (Caps development), Mike Dunham (Boston AHL), Karl Goehring (Tampa AHL), Alex Westlund (Caps AHL) Seamus Kotyk (Buffalo AHL), and Steve Shields (Univ. of Michigan). **Mitch is on ice for the entire camp!** *Can anyone match his years of coaching & success in the NHL?*

ABOUT THE STAFF

A highly qualified and experienced staff will be put together to provide the best instruction and supervision. We guarantee that our staff will be more than just coaches or players . . . they will be teachers! For example:

for the Defense Program:

Adam McHugh:

- helped re-design our Defense Program
- Program Head Coach
- former collegiate hockey player
- 6th year with Korn Camp
- *plus several Asst. Coaches*

for the Goalie Program:

Besides Mitch, we have developed a staff of loyal, energetic coaches with most still playing at the junior, collegiate or pro level.

ABOUT THE GOALTENDER PROGRAM

OUR OBJECTIVE

Goaltending is more than just blocking pucks. We teach and drill the **physical skills** needed such as full and half butterfly saves, scrambling techniques, stick skills, power pushes, recoveries, transitions, post play, etc., along with the **mental skills** such as save selections, "reading the play," tracking, angles, focus, situational analysis, "toughness", etc. We provide a **"full-day" experience**.

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies very hard, but, we also believe in having lots of fun. Humor is a big part of the teaching process. The goalies work together as a "team" or "family" all week. **Mitch runs all the ice sessions.**

THE PROGRAM'S FORMAT

In order to accomplish our task, the goalies will receive 4 hours of ice daily, plus 3.5 hours of structured off ice activities. Video is taken of the goalies to help teach and reinforce the daily skills.

THE ON ICE PROGRAM

The ice time is divided into 2 sessions. The 1st is designed to teach and drill the skills needed. The 2nd consists of "stations" with shooters and lots of pucks to help the goalie "execute" on the skills taught. **Great training tools like low & high shot screen boards, deflection boards, a deflection ramp, an on ice mirror, glove weights, pro-angle, the med ball "goalie stabilizer," bungee balls, focus enhancers, head tracking leash, on ice video and mini & white pucks are used.**

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: equipment innovations, video instruction, uniquely developed NHL DVD's to help teach "goalie sense," mental skill development, reading and reacting, how to handle the many game situations, ...and much more!

AGES, STRUCTURE, AND ENROLLMENT

We accept ages 9 to adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of 4. What you do is important, not what the goalies does next to you. Enrollment is limited and is first come, first served. This school is a commuter program . . . no housing is provided. **Ages are as of December 31, 2019.**

PROGRAM SCHEDULE (Sun.-Wed)

ABOUT THE DEFENSE PROGRAM

ABOUT PLAYING DEFENSE

Good defensemen are in great demand. Every coach searches for these strong backliners to solidify the team's play in their own zone and to start the offense. Since the advent of Goalie Schools, defensemen have truly been **the most neglected players**. By far, defense is the most difficult position on the ice.

ABOUT OUR PROGRAM

The concept of "position specific" is not unique to summer goaltender schools . . . so why not bring the same concept to playing defense! This program will break the defenseman's job down by zone and by skill to provide the most rewarding on-ice experience possible. The feedback has been **FANTASTIC**.

THIS PROGRAM'S CURRICULUM

Our program will cover the following, and more:

- *defenseman skating skills such as backward pivots, mohawk turns, lateral motions
- *situational coverages - (1 on 1, 2 on 1, etc.)
- *point play, shot blocking, pinching, shooting
- *tying up opponents, initiating breakouts
- *checking and angling; reading & reacting . . . and much more

AGES, STRUCTURE, AND ENROLLMENT

We will accept **ages 9-14**. The group is subdivided into 6 "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station." What you do is important, not what the player does next to you. Enrollment is limited to 6 defensemen per team. Enrollment is first come, first served. This school is a commuter program . . . no housing is provided. **Ages are as of Dec. 31, 2019**

THIS ON ICE PROGRAM

The participants will have two ice sessions daily totaling 3 hours, all geared toward defensemen and the skills they need to succeed.

OFF ICE PROGRAM

Each day the defensemen will have a classroom session. In addition, we will use specifically designed NHL highlight videos to help teach "hockey sense", "reading and reacting", and defense skills such as breakouts, pinching, hinging, etc.
