

ABOUT "KORN CAMP"

Back in 1977 Mitch Korn ran his first weekend **Specialized Goaltender Program** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept. These camps have now grown into the **best in the country** with 8 different locations offered. Why not attend a program specially designed by position! In fact, it was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991.

MITCH KORN...23 years in the NHL

Now in his 16th season with the Nashville Predators, Mitch previously spent 7 seasons as Goaltender Coach for the Buffalo Sabres. His hard work, superb communication skills, ability to "dissect" a goalie's game, and great sense of humor has gained him the respect and friendship of those he has coached and worked with at all levels. Fondly referred to as "**Children of the Korn**" (a phrase coined by Nashville coach Barry Trotz) these current and former goalies (many of whom are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch". Besides having coached present and former pro goalies Pekka Rinne, Carter Hutton, Anders Lindback, Chris Mason, Dan Ellis, Marty Biron, Mark Dekanich, Dominik Hasek, Tomas Vokoun, Drew MacIntyre, Jeremy Smith, Magnus Hellberg, Marek Mazanec, and Mike McKenna, Mitch has coached and influenced many others who have (in the past) or who are currently coaching professionally. They include: Mike Valley (Dallas), Corey Hirsch (St. Louis), Clint Malarchuk (Calgary), Olaf Kolzig (Washington), Mike Dunham (Islanders), Wade Flaherty (Winnipeg), Mike Bales (Pittsburgh), Grant Fuhr (formerly Phoenix), Steve McKichan (formerly Toronto), Ben Vanderklok (AHL for Nashville), Steve Shields (AHL for Florida), Ty Conklin (AHL for St. Louis), and Bob Janosz (AHL for Buffalo). **Mitch is on ice for the entire program!**

THE PROGRAM'S OBJECTIVE

Goaltending is more than just being a blocker. Our program teaches and drills the **physical skills** needed such as the butterfly, half butterflies, power pushes, shuffles, transitions, recovery, stick skills, etc., along with the **mental skills** such as save selections, "reading the play," angles, puck tracking, situational analysis, focus, etc. to become a **complete GOALTENDER**. We provide a "full-day" experience. **A great staff is put together to assist Mitch. THERE IS NONE BETTER!**

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies hard. But, Mitch also believes in having fun. Humor is a major part of the teaching process. In addition, the goalies work together as a "team" all camp long. Mitch runs all the ice sessions, and does a significant amount of teaching.

THE CAMP'S FORMAT

The goalies receive a minimum of 3.75 hrs of ice daily, plus 3.5 hrs of structured off ice activities. Video is used to help teach and reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time is divided into 2 sessions. The first is designed to teach and drill the skills needed. The second session consists of "stations" with shooters and lots of pucks to help the goaltender "execute" on the skills taught. **Great training tools such as reaction cones, low & high shot screen boards, an on ice mirror, deflection boards, focus enhancers, glove weights, bungee balls, on ice video, the new "goalie stabilizer" and mini and white-pucks will be used.**

OFF ICE PROGRAM

The goalies have 2 daily off ice sessions which include: video instruction, uniquely developed NHL dvds to help teach "goalie sense," mental skill development, reading & reacting, how to handle the many game situations, equipment innovations...and more!

EQUIPMENT NEEDED

Goalies must supply their own, and always wear properly, full, legal equipment. A camp jersey sponsored by **CCM** is provided. Goalies should be able to dress themselves for the ice. Parental help is permissible outside the locker rooms.

LOCAL COORDINATOR...PAUL LLOYD

Paul has been very active in the regions' hockey for a long time, and is largely responsible for the **re-opening of Ice Time**. He handles all marketing, the details of putting on a great camp, and is available to answer questions.

INSURANCE/MEDICAL

EACH PARTICIPANT MUST POSSESS MEDICAL INSURANCE. Neither Mitch Korn nor anyone associated with Korn Camp. is responsible for any medical or dental insurance. Injuries or illness will be treated at a local hospital. Our medical insurance form is available to be printed on our website. A medical and liability release is included on this form. It must be signed by a parent or guardian and brought to registration.

AGES, STRUCTURE, AND ENROLLMENT

We accept ages 9 – adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What you do is important, not what the goalie does next to you. Enrollment is limited ... first come first served. This is a commuter program. . . no housing is provided. Ages are as of Dec. 31, 2014. **We have sold out every summer.**
