2027 KORN LEGACY CAMP REGISTRATION

begins WEDNESDAY, JAN. 6 at 9am (est) at this tab on our site.

All sign-ups are done **ON-LINE**. The process begins **WED. Jan. 6 at 9am (est.)**. At that time, please go to this same **ON-LINE REGISTRATION tab** and follow the prompts. All Goalie, and some Defense Camps will sell out almost instantly. Demand far exceeds our supply. For that, we are sorry.

***if you are seeing this graphic as you attempt to register, HIT REFRESH to remove this from the computer memory.**

Attempt to place the desired camp(s) in your cart quickly. You will then have 14 minutes to log in or create an account and complete the personal application information.

If you do not secure a spot, please join the wait list for your desired camps.

Should you end up on a wait list, your wait list position is based on when you **CHECK OUT**… so do that quickly.

Whether you enroll in camp, or on a wait list, you WILL receive an e-mail confirming from Active Networks (our registration provider). If not, check your spam and insure you provided your correct email address.

PLEASE, prepare for the Registration Process by reading the **"ON-LINE REGISTRATION /PAYMENT DETAILS"** in any camp brochure on the Korn Camp site (under the Goalie Camps or Defenseman Camps tab). **IT WILL HELP**. The camp's Final Information Sheets (found in the Camp Forms tab) provides information regarding check-in, credit card use & fees, refund policy, balance of payment, lunches, hotels, etc.

NO MAIL or E-MAIL APPLICATIONS or WAITLISTS ARE ACCEPTED
